

Disclaimer:

This disclaimer is intended to inform users about the legal aspects and risks associated with the use of the Crypto Currency App or Crypto Trading App ("the App"). By accessing and using the App, you acknowledge and agree to the terms outlined below.

1. Regulatory Compliance:

The App operates within the legal framework of the jurisdictions it is available in. Users are responsible for ensuring compliance with their local laws and regulations related to cryptocurrency trading. The App does not guarantee legality or suitability in all jurisdictions.

2. Investment Risks:

Cryptocurrency trading involves inherent risks, and the value of cryptocurrencies can be highly volatile. Users should be aware that the market is subject to rapid and unpredictable fluctuations, and past performance is not indicative of future results. Users are advised to conduct thorough research and seek professional financial advice before making investment decisions.

3. Security Measures:

The App employs security measures to protect user information and assets. However, users are responsible for implementing additional security measures on their devices, such as enabling two-factor authentication and keeping their login credentials confidential. The App is not liable for any loss or damage resulting from unauthorized access or security breaches.

4. Technology Risks:

The App is dependent on technology and is susceptible to disruptions, technical issues, and cyber threats. Users should be aware of the potential for system downtime, delays, or other technical glitches that may impact their ability to trade or access funds. The App is not responsible for any losses incurred due to technical issues beyond its control.

5. Regulatory Changes:

Cryptocurrency regulations are subject to change, and the legal status of cryptocurrencies may evolve over time. Users should stay informed about regulatory developments and be prepared to adjust their activities accordingly. The App is not liable for any consequences arising from changes in regulatory environments.

6. No Financial Advice:

The App does not provide financial, legal, or tax advice. Users should independently assess their financial situation and seek advice from qualified professionals if needed. Any information provided by the App is for informational purposes only and should not be considered as financial advice.

7. Limitation of Liability:

To the extent permitted by law, the App disclaims any liability for direct, indirect, incidental, consequential, or special damages arising from the use or inability to use the App, including but not limited to financial losses, loss of data, or business interruption.

By using the Crypto Currency App or Crypto Trading App, you acknowledge that you have read and understood this disclaimer and agree to abide by its terms. The App reserves the right to update or

modify this disclaimer at any time without prior notice. Users are encouraged to review the disclaimer periodically for any changes.
